**Are** you ready to elect to release but want to know more about your benefits before you make your decision?

**Want** more information on the IRP?

Congratulations on your posting or release! We understand that you may be moving for the first, the tenth or the last time, but each time, it is important to review your documentation and consult with your Advisor to minimize out-of-pocket expenses and ensure the smoothest relocation possible.

To begin, you will need a computer with an internet connection, but if you don't have access to a computer, you can use the KIOSK facility in your local BGRS office.

You need to register in order to let BGRS know that you are ready to start the relocation process. In order to do that you need to:

Pre-register (must complete in order to register) at [www.irp-pri.com](http://www.irp-pri.com)

Register via the Secure Website Login at [www.irp-pri.com](http://www.irp-pri.com) with the user ID and password sent to you after you completed pre-registration

You can pre-register once you receive your posting message. Once your file has been authorized, our system will match the record and send a unique user ID and password to allow you to register. It may take up to five (5) days to authorize your file after receipt of your posting message, so please be patient.

***NOTE: It is your responsibility to register within 21 days of receiving your posting message. Your file will be cancelled if you have not registered within 45 days of receipt of your posting message.***

**Step A: Pre-Register** (will provide user id and password)

Go to [www.irp-pri.com](http://www.irp-pri.com)

Click on English or French

Click on Pre-Registration

Fill in your information according to your posting message, paying close attention to your last name, COS date (MM/DD/YYYY) and service number (no spaces)

The system matches your information with the posting message downloaded to our system. Two email messages with your user ID and password will be sent to the email account you entered in your pre-registration form. If you don't receive an email, check your spam or junk mail folder.

Once you have received both emails, you will know you have successfully completed the pre-registration process and will be able to continue with the self-registration process.

### **Step B: Self-Register**

**Click** on Secure Website Login at [www.irp-pri.com](http://www.irp-pri.com)

**Login** using the user ID and password provided to you during the pre-registration process.

**Fill in** the required information.

The system will generate a confirmation email, including a list of required documents, as listed later in this section. Once again, if you don't receive an email, check your spam or junk mail folder.

Once your registration is successfully completed, you will be assigned an Advisor who, within two (2) business days of your self-registration, will:

Contact you to confirm your intentions

Reviewing your GRIP will make you more comfortable with the relocation process and ensure a smooth move overall. The information is updated at least once annually.

Your *It's Your Move* manual includes the following chapters:

- Planning Your Move
- Rent Smart
- Sell Smart
- Buy Smart
- Third Party Service Providers
- Tax Smart
- Glossary

We recommend that everyone read the “Planning Your Move”, “Third Party Service Providers” and “Tax Smart” chapters and the appropriate chapters on renting, selling and buying.

The Buy or Rent Decision Model is a tool designed to help you make your decision about your future home at destination. Fill in the required information and let the Buy or Rent Decision Model do the calculations for you.

In the Destination Guides, you'll find fun facts and general information about your new community, where to find more information on the rental or housing market, local utilities, secondary school boards, post-secondary institutions and hospitals, all specific to your new location. It is available in both Renter and Homebuyer editions for over 50 common destinations for CAF Members.

During your relocation, you may need the assistance of a service provider such as an appraiser, home inspector, lawyer, notary, Realtor® or rental search assistance agent.

The choice of service provider is up to you; however, each service provider has a maximum reimbursable rate (please check the “Third Party Service Provider” chapter in your *It’s Your Move* manual for more information on rates), and any fee in excess of these rates will be your responsibility. BGRS maintains a TPSP Directory of Service Providers who have agreed to provide their services at the maximum rate in their service area.

To find members of the TPSP Directory in your area, please:

**Go to** [www.irp-pri.com](http://www.irp-pri.com)

**Click** Secure Website Login.

**Log in** using the user ID and password provided to you after pre-registration.

**Click** on the Home button located at the top of your screen.

**Click** on Third Party Service Providers Directory located on the left-hand side of your screen.

**Choose** your service provider type.

**Choose** the Province where you would like the service provided.

**Choose** the City\*\* where you would like the service provided.

**Choose** Excel or PDF format to produce a report on the available members of the TPSP Directory.

**NOTE: If you intend to print the report, please choose PDF.**

\*\*If you do not find a service provider for your city, please contact your BGRS Advisor who will provide you with a choice of service providers in your area. These service providers are willing to provide the service at or below the maximum reimbursable rate.

If you choose a member of the TPSP Directory, they will be paid by BGRS, however, the TPSP cannot be paid until we have received your signed Certification of Services Received form via fax, scan (see Section G) or by mail (Certification of Services Received form available in the Secure Website – IRP Forms).

If you choose a service provider that is not in the TPSP Directory, you will pay the service provider and will be reimbursed via an Itinerary for Expense Claim (see Section E). You will need to provide a signed Certification of Services Received form (available in the Secure Website ) with your Itinerary for Expense Claim in order to be reimbursed.

*Only the Member can sign forms unless he/she provides Power of Attorney authorizing another person to sign on the Member's behalf.*
